IPER Resource Center

Locating information and guidance specific to your state or territory

The following table lists topics for which we expect to use the Intergovernmental Preparedness for Essential Records (IPER) Resource Center to locate documents and information that apply specifically to your state or territory. We have provided space in which you can make notes and/or record URLs so you'll be able to find these items easily when you need them again. The URL to the Resource Center's home page is: <http://www.statearchivists.org/resource-center>
