Specific Instructions (Title page requested, pages to be copied, etc.) _____

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified by law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or other reproduction is not to be "used for any purpose other than private study, scholarship or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," the user may be liable for copyright infringement. This agency reserves the right to refuse to accept a copy order, if, in its judgement, fulfillment of the order would involve violation of the copyright law

FEES: The non-refundable fee is \$20.00 per copy set. Payment can be accepted by personal or corporate check or money order (payable to the Maryland State Archives), or major credit card (MasterCard or Visa.)
