Very truly yours,

DEAR MR. COLEMAN:—

I wish to thank you for the copy of the First Colored Professional, Clerical, Skilled and Business Directory of Baltimore City, which you were good enough to send me. I have examined the directory carefully and have had occasion to refer to it a number of time, and find it a very useful publication, and recommend it quite highly to all persons having need for information which cannot otherwise be had.

Yours very truly,

JOHN W. RICH,
Law Dept., B. & O.

Mr. R. W. Coleman,
Baltimore, Md.

Having received a copy of the Baltimore directory last year, and having found it a very useful little volume in business matters, I would suggest, if I may, that you include the churches of the city in this year's book, as it would be a great help, both to home people and to strangers.

Yours respectfully,

W. EDWARD WILLIAMS,
Minister of Grace Presbyterian Church.

Mr. R. W. Coleman,

DEAR SIR:—

I have examined the first copy of your directory, and beg to say that it is *very creditable* in every way, particularly its originality, and fully deserves the widest circulation and unlimited financial support.

Wishing you even greater success, I am,

Very truly,

COMPILER AND PUBLISHER

FOREWORD

One would not imagine the work entailed in the compiling of a book of this character, especially for me, as my time is so divided owing to the fact that the greater part of the day is devoted to learning my trade (Piano Tuning) at the Maryland Workshop for the Blind. I have tried to establish a method of a *real effective medium of advertisement*, and at the same time to collect a Directory of the colored professional, clerical, skilled and business people. I am certain I have not reached all of them, but owing to the fact that such an undertaking is so broad in its scope, that it would entail a great expense and a number of clerical assistants to make it complete, therefore I ask that the public will be charitable in their criticisms.

I wish to thank my many friends for their kind favors in assisting me in the compiling of this book.

Very respectfully,

ROBT. W. COLEMAN.

Centrally Located—Easily Accessible.

After the establishment of The Kennard Hospital in the City of Baltimore in the year of 1885, the demands for additional hospital facilities increased steadily. Thus the spacious three-story brick building now opened and operated. This Hospital, established over 29 years, with the inscription on the front, "For the Cure of All Manner of Diseases," has carried out the assertion by the number of years of successful operation which speaks volumes for its praise. At the main entrance is the waiting room; to the right is the Drug Department, where four drug clerks are regularly employed, whose aim is always to please and, by double-check system, always accurate. Second floor, to the right of the corridor, Prof. G. W. Kennard's private office, which is fitted up to meet the approval of the very particular. On the same floor is a spacious dining room, and a well fitted out Chemical Laboratory also. On this floor is located the Operating Room; all the instruments of latest invention to ensure best results here; everything is perfectly sanitary. On the third floor, bed rooms, private dining rooms, baths and all other conveniences that come under the sanitary law. Cheerful visitors and obliging nurses are to be found here. The whole thing in a few words—A Home-Like Hospital, where the best of treatment is to be had. Rates, \$1.00 per day and upwards. For further information, write to Dr. G. W. KENNARD, M.D., Ph.D. Staff of Assistants: Dr. J. Edward Smith, Recording Secy. and Resident Physician in Charge, 722 North Spring St.; Dr. J. WHAT WE ARE DOING.

DEPARTMENT OF REAL ESTATE:

1. **HOME MAKING:** We have encouraged, directed and counseled many to buy their own homes and enjoy the blessings and comforts of their own fireside. LET US PUT YOU IN A HOME OF YOUR OWN.

2. **INVESTMENT SEEKERS:** Real Estate is the best and safest investment for colored people. We have at all times properties that are big-paying investments.

3. **PROPERTY BOUGHT, SOLD AND EXCHANGED.**

4. **EASY TERMS:** We sell on terms that are really easy.

5. **RENT COLLECTORS:** We are result-getting rent collectors. Our success lies in the fact that we know how to please both the tenant and landlord. To the tenant we give a comfortable house and to the landlord we give good returns.

DEPARTMENT OF INSURANCE:

1. **FIRE:** Protect your house and furniture against the ravages of the flames; the cost is small.

2. **TORNADO:** You can not tell what the wind will do; it plays havoc and is gone; so insure against it; you will not miss the money.

DEPARTMENT OF CARPENTERING AND GENERAL REPAIRING:

We are inaugurating a plan that will place at your bidding first-class colored mechanics representing all of the trades.

DON'T DIE YOUNG! YOUR HERITAGE IS 80 YEARS!!

(See Psalm 90 Verse 10.)

1. The 1910 Census shows that the colored population is at the same nine-million mark as in 1900. The lack of increase is due to the High Death-rate from Tuberculosis and other preventable diseases.
2. Don't transgress physical laws and become SICK, then foolishly depend upon hospitals, radium & X-Ray Treatments, and doctors' prescriptions to CURE you. Learn and practice that PREVENTION IS BETTER THAN CURE.
3. Your organic cellular POWER, supported by PURE BLOOD, is the BEST basic principle of good Health. Your Body-Cells need Stamina and the Power of Resistance to Ward off and Destroy pathogenic germs, or the microbes of disease. This is the SECRET of Health. A weak, rundown and anemic Body cannot Ward off Disease, but a strong, healthy body does it. Don't follow foolish FASHION and lose your Health.
4. Whether learned or illiterate, white or colored, if you wish to know the scientific Reason WHY and HOW vaccination prevents Small-pox, and STRENGTH & LIFE prevents Tuberculosis, call on or write to DR. DAVID NEWTON E. CAMPBELL, Lung & Nerve Specialist, 1369 North Carey Street, Baltimore, Md. Although he cures any case a person was not born with, yet he is a radical advocate of PREVENTION for the Public good. He will furnish FREE Rules how to KEEP Well, Live Long, Prevent Cancer, Consumption, Neurosis, Venereal Poison and maintain a high STANDARD of excellent Health.
5. If you are losing Weight, Flesh, Strength & Energy, whether with or without a cough, get Dr. CAMPBELL'S CALCIUM TREATMENT. It has saved others, and will save you, if you do not delay until all the STAMINA of your Cells vanishes. Fresh Air & Milk alone will NEVER arrest Tuberculosis. The GERMS which produce Tuberculosis are very difficult to destroy.
6. No ten prescriptions written by the best ten doctors of the South can do as much good to your Body-Cells in Nerve Trouble as two Bottles of STRENGTH & LIFE. Rev. Mrs. J. C. Love of Rockville, Md., writes: "Strength & Life is a remarkable medicine. I walked out into the yard Saturday without a cane after taking two bottles. That is something I have not done since I was paralyzed fourteen months ago, although several physicians attended me."
7. Do you wish to add many years to your life and LIVE LONG? Do you wish to be a Power in Body & Mind and be Healthy? Adopt Prevention by using STRENGTH & LIFE. It is sold for \$1.50 per bottle at Druggists, or office of DR. CAMPBELL at address in paragraph 4. Send two-cent stamp for booklet containing testimonials from white and colored people on the VALUE & MERIT of STRENGTH & LIFE, which furnishes STAMINA, imparts the Power of Resistance to the Body-Cells and is the RULWARK OF GOOD HEALTH.

All Ministers can be Agents for STRENGTH & LIFE.

RECEPTIONS AND PARTIES SERVED.

REV. ERNEST LYONS, D.D., L.L.D.

Rev. Ernest Lyons is undoubtedly the most noted colored man in Maryland. By reason of his diplomatic connections as former minister to Liberia and his present position as representative of that republic to this country, he has the right to demand and receive audiences from kings and potentates all over the civilized world. He is a constant and energetic worker, and Baltimore should be proud of him.

DR. HOWARD E. YOUNG.

Dr. Howard E. Young, popular prescription pharmacist at Druid Hill Avenue and Hoffman Street, is a graduate of The Washington High School, and of Howard University in Pharmacy. He established his present business in 1900, when no other colored men were in the same field here, and has ever been successful.

MISS ANNE E. SMITH.

Miss Anne E. Smith, a native of Baltimore, the daughter of Martha H. and William H. Smith, was born on the outskirts of the city, near Pikesville, where she spent the first years of her life. She was one of a large family, and with the other children attended the rural school provided by the county. As a child she exhibited such aptitude and ability that she was often called upon to conduct the lessons of the younger pupils. When she had completed the county course of study, a friend, feeling the pity that it would be to have her schooling stop at this point, persuaded her parents to enter her in the Baltimore City schools. This they did, and after three years in the grades, the little student entered the High School. Here her work was characterized by that same earnestness and ability that had been exhibited earlier, and she graduated in June, 1902, from the Colored High School, among the first in her class. Her training school career began in the fall of 1902, and from that time until December, 1904, in her practice work as a teacher, she proved that the teaching profession had been the gainer by her enrollment.

Her teaching career was short, however, for Dr. J. H. N. Waring, in seeking someone to serve him as private secretary and at the same time to act as clerk at the High School, recognized Miss Smith's peculiar fitness for the job. She accepted the proffered position and has retained it until the present, serving under several principals, and fulfilling her many duties with a grace and ease, the result of thorough knowledge of her work and skill combined with tact. Al-

though this position brought to an end her actual teaching in the day school, yet work in the night school for a number of years, kept alive her interest in this line of work and enabled her to retain the skill which her course in training had given her.

The foregoing are the main incidents of Miss Smith's life briefly put. Much could be said that would enable one to have a more intimate knowledge of the woman herself. For instance, a mention of her attendance at such summer schools as Hampton, Howard University and the Rochester Business Institute, would at once bespeak her general desire for improvement and her ambition to keep abreast of the times in that particular field in which she has elected to work. Her interest in humanity is attested to by activity in such organizations as the Day Nursery Association, the Y. W. C. A., the Empty Stocking and Fresh Air Circle, the Woman's Auxiliary to the Maryland Home for Friendless Colored Children, the Woman's Co-operative Civic League, and others that are less well known. In a word, Miss Smith, from a little rural maiden, has developed into a woman cultivated, broad, interested in all movements for good and a living force with both old and young, in the community of which she is a well-known member.

E. B. TAYLOR.

E. B. Taylor is one of Baltimore's busiest men, young or old. If there were nothing else to be said in favor of him, the fact that he is one of the greatest solvers of the negro problem, in that by his efforts he supplies labor for hundreds of our race each year, paying to them many tens of thousands of dollars in wages, would be a lasting monument to his fame. Unselfish to an infinite degree, he devotes hours despite his great and many interests, to charitable work, unostentatiously and without expecting, or in most cases receiving gratitude. He is fearless in expressing his opinions, and "we love him for the enemies he has made."
