One of the great differences between modern civilization and the ages that have gone before is to be noted in the use by many men of information compiled and published by one of their number. It is impossible to make even an approximate estimate of the time and energy saved to the human race by the application of such a process in modern life. Little by little men have learned the value of organization and co-operation, and have understood how to make use of the labors of their fellows, and today the extent to which this is done in any group or community is an accurate index of the state of advancement of that group.

For a long time after the Civil War, the colored people in this country were "hewers of wood and drawers of water," and their business and industrial life was of the simplest kind. As the years passed slight changes were noted, and in very recent years the change has been most rapid, especially in the great urban centers. One of the recognized accompaniments of modern commercial and professional life and organization is the directory. In 1820 Bradstreet first published his famous commercial directory in New York. Nine years ago the publisher of this work thought he saw the need of a directory for the colored business, professional and educational world of Baltimore, and later included the adjacent cities of Washington, Wilmington and Annapolis. That his thought was a good one is evidenced by the fact that in the years intervening between 1913 and the current year 10 editions of this work have been published, and similar works have been compiled for other cities with large colored populations, in imitation of Mr. Coleman's idea.

One of the very interesting things about this directory is its compiler, himself well known in the three cities which figure in its pages. Mr. Robert W. Coleman, comes of good stock, being the son of Sergeant A. B. Coleman, who, associated with the younger Frederick Douglass, helped to organize the colored regiments in Massachusetts during the dark days of the Civil War, and for this service received the thanks of the legislature. He is a brother of Mr. John H. Coleman, a prominent business man of Chicago, and a cousin of Judge Robt. H. Terrell, of the Municipal Court, Washington, D. C.

Stricken, after he reached adult manhood, with almost complete blindness, Mr. Coleman, though weighed down by the responsibility for the care of large family, showed the stuff that was in him by learning a new trade, that of piano-tuning, and in his odd hours, at certain seasons of the year, collecting the advertising and other material for his directory in the four cities concerned. His energy, courage and perseverance, under such a handicap, have been little short of marvelous. Mr. Coleman is a graduate of the Business Department of M Street High School, Washington. In his later years under the administration of Rev. Williams secretary, he was a member of the board of directors of the Balto., branch of Y. M. C. A.

The directory idea, in this new age of progress and expansion among the colored people, is capable of almost indefinite extension, and its possibilities are unlimited. It is our hope that the originator of the idea may some day realize his most ambitious dreams concerning it. With the assistance of and co-operation of the communities involved, not only in the way of advertising, but also in the furnishing of complete and accurate information, there is no reason why he should not do this, for the enterprise is certainly deserving of the most hearty and generous support of the public.

Public Opinion.

FROM PRESIDENT OF THE UNITED STATES

Through the Courtesy of Senator France

President sends letter to Senator J. I. France upon receiving the Baltimore Colored Directory:

"The President has received your letter of November 29th, as well as its enclosure from Mr. Robert W. Coleman, and he asks if you will not be good enough to convey to Mr. Coleman an expression of appreciation of the courtesy which Mr. Coleman has been good enough to extend to him."

Mr. Robert W. Coleman,
Baltimore, Md.

Dear Sir:

Please accept my appreciation and thanks for your publication of the First Colored Directory of Baltimore City. In the course of the year I have occasion to refer to a number of business men, school teachers and others, and I find your directory an unfailing and reliable source of information. Your enterprise is an asset to the community. I wish you continued success.

Very truly yours,

MASON A. HAWKINS,
Principal Colored High School.

Dear Mr. Coleman:

I write to say that the National Business League is always pleased to make note of such enterprises as you are fostering. I hope that your Business Directory of Baltimore may receive the cordial support of the business and professional classes. The circulation of your booklet should prove incalculably helpful in advancing race pride, and at the same time bring about that encouragement of negro business so devoutly to be welcomed.

Yours very sincerely,

EMMETT J. SCOTT,
Secretary National Negro Business League, Tuskegee, Ala.

My Dear Sir:

Enclosed find herewith copy for the outside back cover page of your forthcoming Directory for Colored People of Baltimore City.

I am pleased to co-operate in this matter, for I believe the publication of a first-class directory will be of great value to all parties concerned. I am also pleased to co-operate in this because you are making a brave fight against great odds, and I wish to see you succeed. With best wishes,

Yours very truly,

J. O. SPENCER,
President of Morgan College.

Mr. Robert W. Coleman,
418 E. Federal St., Baltimore, Md.

My Dear Mr. Coleman:

I think you have done a very excellent piece of work in getting out a colored directory of the City of Baltimore.

It will serve a great many purposes for the public of this, and of the other cities included in your work.

With best wishes for success, I remain,

Yours sincerely,

MICHAEL J. CURLEY,
Archbishop of Baltimore.

Baltimore, Md., June 4, 1923.

My Dear Mr. Coleman:

It gives me pleasure to inform you that thru my advertisement in your directory a relative of mine who lives in New Haven, Connecticut, and whom I have not seen for eight years, was able to locate me, for which I am more than grateful.

Very truly yours,

PAUL J. HARRIS,
Violin Instructor.

CAPT. GEORGE W. BROWNE.

It is not possible to praise too highly the splendid effort made by Capt. George W. Browne to advance the "profitable, pleasurable recreation idea."

At the expense of much energy Capt. Browne has purchased three steamers for the enjoyment of our people, the third and best costing over \$50,000.

Each year more than 225,000 people enjoy the healthful trips to Greater Browne's Grove and from that number much aid is rendered the churches and other charitable organizations.

The charitable and business world would be greatly advanced if we had a few more Captain Brownes.

The congregation purchased the three-story brick building, corner Orleans and Ann Streets, where services were held until March, 1919, when the present church property, corner Bond and Jefferson Streets, with parsonage adjoining, was secured from the Jefferson Street M. E. Congregation (white) at the cost of fifteen thousand seven hundred dollars (\$15,700). Mr. Harry O. Wilson, Banker, accepted a mortgage for eleven thousand dollars (\$11,000), which was lifted June, 1920, thus liquidating the entire indebtedness within fifteen months.

BOYKIN'S BI-WEEKLY
BABIES' AND CHILDREN'S CLINIC

DR. WILLIAM RUTHERFORD BOYKIN
Specialist

Diseases Women, Children, Babies
1618 North Calhoun Street
Baltimore, Md.

Dr. Wm. Rutherford Boykin, Specialist on Diseases of Women, Children and Babies, has won by his excellent ability, and most modern equipped office, the greatest respect and demand of all Baltimore and vicinity. We feel that too much cannot be said in praise of the Doctor, on account of his great sympathy for the poor, whom he treats without price.

Dr. Wm. Rutherford Boykin's 19 years of practice gives to the Women, Children and Babies specialist service in Baltimore that few cities can offer. His lucrative office practice necessitates a much larger office space, which he in the near future intends to provide.

I expect to pass through this world but once.
If, therefore, there be any kindness
I can show, or any good thing I can do
My fellow being, let me do it now;
Let me not defer, nor neglect it,
For I shall not pass this way again.

.....HOMEMAKERS BUILDING ASSOCIATION.....

As a Saving or Investment Proposition this is a most attractive opportunity.

A high degree of safety, a rate of interest above that which banks can afford to pay, and the consciousness that every dollar entrusted to the Homemakers Building Association will be put to work at once in helping people of limited means to secure suitable homes, are factors which should appeal to many.
