INTRODUCTORY

BY MR. E. C. WILLIAMS

Librarian, Howard University, Washington, D. C.

Early Librarian of Western Reserve University, Cleveland, Ohio, and

Principal, M Street High School, Washington, D. C.

One of the great differences between modern civilization and the ages that have gone before is to be noted in the use by many men of information compiled and published by one of their number. It is impossible to make even an approximate estimate of the time and energy saved to the human race by the application of such a process in modern life. Little by little men have learned the value of organization and co-operation, and have understood how to make use of the labors of their fellows, and today the extent to which this is done in any group or community is an accurate index of the state of advancement of that group.

For a long time after the Civil War the colored people in this country were "hewers of wood and drawers of water," and their business and industrial life was of the simplest kind. As the years passed slight changes were noted, and in very recent years the change has been most rapid, especially in the great urban centers. One of the recognized accompaniments of modern commercial and professional life and organization is the directory. In 1820 Bradstreet first published his famous commercial directory in New York. In 1913 the publisher of this work thought he saw the need of a directory for the colored business, professional and educational world of Baltimore, and later included other cities. That his thought was a good one is evidenced by the fact that in the years intervening since 1913 this work has been published each year and similar works have been compiled for other cities with large colored populations, in imitation of Mr. Coleman's idea.

One of the very interesting things about this directory is its compiler, himself well known in the cities which figure in its pages. Mr. Robert W. Coleman comes of good stock, being the son of Sergeant A. B. Coleman, who, associated with the younger Frederick Douglass, helped to organize the colored regiments in Massachusetts during the dark days of the Civil War, and for this service received the thanks of the legislature of Boston. He is a brother of Mr. John H. Coleman, a prominent business man of Chicago, a cousin of Mrs. Laura Jones of Tuskegee Institute and of the late Judge Robert H. Terrell, Washington, D. C., an uncle to Detective and Mrs. James A. Mitchell of St. Paul, Minn. He married Miss Mary A. Mason, of Baltimore, who has been an indispensable figure in the life and activities of Mr. Coleman.

Stricken, after he reached adult manhood, with almost complete blindness, Mr. Coleman, though weighed down by the responsibility for the care of a large family showed the stuff that was in him by learning a new trade, that of piano-tuning, and in his odd hours, at certain seasons of the year, collecting the advertising and other material for his directory in the cities concerned. His energy, courage and perseverance, under such a handicap, have been little short of marvelous. Mr. Coleman is a graduate of the Business Department of M Street High School, Washington. In his later years under the administration of Rev. Williams' secretary, he was a member of the board of directors of the Baltimore branch of the Y. M. C. A. He organized the Association for the Handicapped in 1913.

The directory idea, in this new age of progress and expansion among the colored people, is capable of almost indefinite extension, and its possibilities are unlimited. It is our hope that the originator of the idea may some day realize his most ambitious dreams concerning it. With the assistance of and co-operation of the communities involved, not only in the way of advertising, but also in the furnishing of complete and accurate information, there is no reason why he should not do this, for the enterprise is certainly deserving of the most hearty and generous support of the public.

P. S.—Mr. Coleman is assisted in the editing of this directory by his daughters Misses Dorothy and Louise.

BAPTIST PASTOR NEW HEAD OF HOWARD U.

Washington, D. C.—Dr. Mordecai W. Johnson, of Charleston, W. Va., a Baptist pastor, is the newly elected president of Howard University.

By a vote of 12 to 2 he was elected after which his selection was made unanimous. Dr. Charles Wesley was the other candidate voted for.

The new president has behind him an exceptional record of academic preparation and public service. He graduated in 1911 from Moorehouse College, Atlanta, Ga., with the degree Bachelor of Arts, and was retained for two years as Professor of Economics and History.

In 1913 he received the degree of Bachelor of Arts from the University of Chicago; graduated from the Rochester Theological Seminary in 1919; was student secretary of the International Committee of Young Men's Christian Association, associated with Messrs. C. H. Tobias and Max Yergan; became pastor of the First Baptist Church of Charleston, W. Va.; received degree of Bachelor of Divinity from Rochester Theological Seminary for the writing of an historical thesis entitled: "The Rise of the Knights Templars"; was Rochester Theological Seminary Graduate Scholar at Harvard University, Cambridge, Mass., graduated from Harvard University with degree Master of the Science of Theology and had the Graduate Commencement Part with the address: "The Faith of the American Negro"; was awarded honorary degree of Doctor of Divinity at commencement of Howard University.

The new president is married and has three children. His salary will be \$10,000 a year and he will be provided with a presidential mansion on the campus.

Discussing the question of why the trustees picked someone outside the faculty for the presidency, Colonel Theodore Roosevelt, chairman of the committee of nomination, said:

"The trustees also considered Dr. Charles Wesley, head of the department of history. He is an excellent man but on account of the internal troubles that have been rife in Howard University it was the belief of the trustees that it would be to the interest of all to select some outside man."

Just From Europe

Dr. Johnson is just from Europe, having been with a party of Americans interested in interracial relations. This party was headed by Sherwood Eddy, internationally known Y. M. C. A. worker, who became interested in Dr. Johnson after hearing him deliver an address before the chamber of commerce in Atlanta, Ga., on interracial relations. Mr. Eddy interested Julius Rosenwald, Chicago philanthropist, in Dr. Johnson. Mr. Rosenwald sought to endow him to deliver addresses throughout the United States on interracial cooperation, but Dr. Johnson declined, expressing a preference to remain as pastor of the First Baptist Church in Charleston, W. Va., for a while.

PUBLIC OPINION
FROM PRESIDENT OF THE UNITED STATES
Through the Courtesy of Senator France

President sends letter to Senator J. I. France upon receiving the **Baltimore Colored Directory**:

"The President has received your letter of November 29th, as well as its enclosure from Mr. Robert W. Coleman, and he asks if you will not be good enough to convey to Mr. Coleman an expression of appreciation of the courtesy which Mr. Coleman has been good enough to extend to him."

Dear Mr. Coleman:

Please accept my appreciation and thanks for your publication of the First Colored Directory of Baltimore City. In the course of the year I have occasion to refer to a number of business men, school teachers and others, and I find your directory an unfailing and reliable source of information. Your enterprise is an asset to the community. I wish you continued success.

Very truly yours,

MASON A. HAWKINS,
Principal Colored High School.

Dear Mr. Coleman:

I write to say that the National Business League is always pleased to make note of such enterprises as you are fostering. I hope that your Business Directory of Baltimore may receive the cordial support of the business and professional classes. The circulation of your booklet should prove incalculably helpful in advancing race pride, and at the same time bring about that encouragement of negro business so devoutly to be welcomed.

Yours very sincerely,

EMMETT J. SCOTT,
Secretary National Negro Business League, Tuskegee, Ala.

My Dear Mr. Coleman:

Enclosed find herewith copy for the outside back cover page of your forthcoming Directory for Colored People of Baltimore City.

I am pleased to co-operate in this matter, for I believe the publication of a first-class directory will be of great value to all parties concerned. I am also pleased to co-operate in this because you are making a brave fight against great odds, and I wish to see you succeed. With best wishes,

Yours very truly,

J. O. SPENCER,
President of Morgan College.

My Dear Mr. Coleman:

Permit me to thank you for the courtesy shown me by forwarding Twelfth Annual Edition of your directory of Baltimore City.

I congratulate you on the splendid manner in which this issue was prepared. I shall be only too happy to refer all inquiries concerning Baltimore to you, for I know that you are in a position to give the informants all information they might desire.

Very truly yours,

R. S. ABBOTT,

Mrs. Laura Dickerson Wheatley, President of the Baltimore Federation of Colored Parent-Teacher Clubs, was born in Cincinnati, Ohio. Her early training was received in the public schools of St. Louis, Missouri, and of Louisville, Kentucky. She was graduated with highest honors from both the High School and Teachers' Training School of Louisville. The principal of the High School at that time said "Mrs. Wheatley was, if not the brightest, among the brightest pupils that have passed through that school." She was a brilliant student at Kentucky State University, Louisville, and took a special course at Cook County Normal School, Chicago, Illinois. Later she was graduated with the degree Bachelor of Arts from Morgan College, Baltimore, with the highest average of her class, rating above 90 per cent in all subjects. Mrs. Wheatley was the first student to do extension work at Morgan College.

Mrs. Wheatley's record as a teacher in the public schools of Louisville was described as follows, by her principal: "In the Sloyd Department Mrs. Wheatley easily took first place among the teachers; the success of that department was due largely to her efforts. She was a very successful teacher, and a woman of earnest, studious habit, exerting a splendid influence upon her pupils. Her work was inspired by the highest motives, and her interest and enthusiasm was catching."

Mrs. Wheatley is a member of Metropolitan M. E. Church. She is a pleasing public speaker and a splendid writer. Her speech at the Louisville High School Commencement was described in the Louisville Courier Journal as "the feature of the evening's exercises."

In national literary contests—Mrs. Wheatley was awarded the prize of a free trip to Europe by the Boston Brown Book Magazine; a cash prize by the Maryland Branch of the National Defense Council during the World War (Mrs. Wheatley was the ONLY WOMAN and the ONLY PERSON of COLOR among the three prize winners in that contest.) She was awarded a set of books by the Friends of Africa Society, and a cash prize by Opportunity Magazine.

Mrs. Wheatley is the wife of Dr. Edward James Wheatley, a prominent physician and native of Baltimore, a graduate of Lincoln University and of Howard Medical School.

Since her marriage Mrs. Wheatley has devoted herself untiringly to civic work. She organized the Neighborhood Improvement League and was chairman of the committee from that organization which appealed to the city to use asphalt instead of vitrified bricks as had been planned for paving Druid Hill Avenue, because din of traffic over the latter paving would seriously interfere with the many institutions located on the avenue, and requested that moonlights be placed in front of Bethel and Union Baptist churches. These requests were granted.

Mrs. Wheatley is eminently successful as an impressario. She was the first to introduce Roland Hayes and Lillian Evanti to Baltimore audiences.

In 1920 Mrs. Wheatley was chairman of the largest membership drive of the local N. A. A. C. P., which enrolled 2,000 members and collected between \$5,000 and \$6,000 cash. In 1921, through Mrs. Wheatley's efforts in his behalf, three reprieves of thirty days' each, were granted by President Harding to Henry Brown, the Colored youth who was accused of the murder of a Naval Academy nurse at Annapolis, Md. The boy having been convicted wholly upon circumstantial evidence.

Prior to the existence of the Federation of Parent-Teacher Clubs, Mrs. Wheatley was instrumental in having the Colored children admitted into the Spelling Bee given by the Baltimore News during Superintendent Koch's administration of public education. In having School No. 118, Argyle Avenue near Lanvale, formerly School No. 91, turned over for relief of Colored children. In having the School Board in 1912 unanimously vote for a new Colored High School because of the urgent need of the same as represented to them by Mrs. Wheatley, as chairman and spokesman of a committee of parents she had called together. In having improvements made at School No. 116, Druid Hill near Biddle, and other schools.

In 1923 Mrs. Wheatley was unanimously elected first president of the Baltimore Federation of Colored Parent-Teacher Clubs. This is one of the largest and most potent organizations in the city of Baltimore. Its membership is over 10,000 and covers the entire city. The organization is thoroughly alive, in tact and functions throughout its entirety. At her own expense, Mrs. Wheatley has visited practically every large center in the country where there are separate schools for children and has first hand information concerning them.

The Baltimore Federation of Colored Parent-Teacher Clubs points with pride to securing a Supervisor of Colored Schools, which now covers every grade from the Teachers' Training School and High School down to the very lowest grade in the system.

To school houses that have been turned over to our children, reducing the large number of part time classes until September in 1926 every Colored school child in Baltimore will be on full time.

To Grindon Lane School which was moved to a fine location in Wilson Park. To Project No. 10, the new elementary school on Preston Street.

To the Negro Art Exhibit held at Douglass High School, in January, 1926, which was the FIRST EXHIBITION OF ITS KIND HELD ANYWHERE.

New schools must be built for Colored children. The Federation is responsible for the request to the School Board that they segregate the amount needed for Colored schools when drafting the legal papers for the Loan. This SCHOOL LOAN, MONEY FOR PLAYGROUNDS, and a program for VOCATIONAL EDUCATION for Colored children are three big things upon which the eyes of this organization are fixed for the future.

One could go on indefinitely naming the accomplishments of this organization but its principal gain has been its ability to function under Mrs. Wheatley's leadership, in an unselfish manner for the best interest of the children without political or personal domination.

Compliments of

Dr. Emmett J. Scott, for twenty-two years Secretary to the great orator and statesman, Booker T. Washington, was born at Houston, Texas, February 13, 1873; educated at Wiley University, Marshall, Texas. He was appointed a member of the American Commission to Liberia in 1909 by President William Howard Taft; was Secretary of the International Conference on the Negro held in 1912; and served as Secretary of the National Negro Business League practically from its organization until May, 1922, when he resigned, after having been unanimously re-elected at the Atlanta session held in August, 1921. C.

Since Doctor Scott's coming to Howard University as its Secretary-Treasurer and Business Manager, his wise management of the business affairs of the school, and the able assistance he has given President Durkee have had to do in a large and important way with the remarkable period of development and advancement which the University is now enjoying. He has surrendered practically every outside interest and activity that would in any way interfere with the effectiveness of his work for Howard.

Doctor Scott is an author of distinction, having published "Tuskegee and Its People"; is also co-author of the biography, "Booker T. Executive Committee—Rev. Albert J. Greene, Chairman; Dr. James E. Bell, W. Deaver Boston, Rev. George F. Bragg, Miss I. Myrtle Carden, Rev. Daniel W. Hayes and Rev. Ernest Lyons.

History of the Organization

Prior to 1913 the colored people had taken no interest in their blind, the reason being that no Negro up to that time had brought it to their attention. We feel it was a God-send that Mr. Robert W. Coleman attended the work-shop for the blind, for he could better understand conditions than a sighted man. As he had had experience as both sighted and blind, he realized the unfortunate condition of the latter and felt it his duty to start this agitation.

From 1911 to 1913 he held meeting after meeting in an effort to create enthusiasm for the blind.

On October 15, 1913, at the residence of Mr. William H. Langley, he succeeded in organizing the Maryland Association for Colored Blind. The original members of the board were: William H. Langley, President; Harry O. Wilson, Treasurer; Mason A. Hawkins, Secretary, and Robert W. Coleman, Organizer and Manager; Messrs. J. Clarence Chambers, G. Russell Waller and Henry J. Thomas. Other early members of the board were Dr. J. O. Spencer, Dr. Ernest Lyon and Dr. E. J. Wheatley.

In 1921, Rev. A. J. Green was selected as Chairman of the Executive Committee, which position he has since served with honor.

The Maryland Assn. for Colored Blind was organized for the purpose of advancing moral, social, religious and industrial development for colored blind; also to extend to them sympathy and brotherhood.

Among the early activities of the Association were the following (1913-1923):

1. Public demonstration at Richmond Market Armory.
2. Securing medical attention for blind individuals.
3. Securing privilege for blind to sell Afro-American.
4. Securing privilege for blind to attend Automobile Shop at Douglas High School.
5. Securing cooperation of the Y. M. C. A. for annual excursions, continuing until 1923.
6. Securing from Y. W. C. A. and Y. M. C. A. membership for the blind without cost, upon application.
7. Presented check for \$10.00, first money received at a benefit at the Fourth Regiment Armory June 17, 1920, to assist in paying for the instruments of the Blind Band.
8. Appealed to Dr. Spencer to accept blind students at Morgan College.

There are two periods in the history of the Association. The first was that of agitation, the other of construction. The latter began by a lecture with stereoscopic views by Dr. R. Tunstall Taylor at the First Baptist Church, on or about January 1, 1923.

Mrs. Putts and Dr. Cobb of the school board were invited to attend this meeting. Rev. A. J. Green and Mr. R. W. Coleman publicly requested and insisted during the course of the meeting that the school board make some provision for education and care of crippled children. Subsequently the schools for crippled children were opened March 1, 1923.

Another constructive element was the visit to Overlea to observe the methods of teaching and to note conditions of environment under which the students studied, lived and worked.

Following this was the Christmas treat at the Maryland Workshop for the Blind on December 23, 1925.

Then followed the second annual social hour and party at Sharp Street Community House, on February 22, 1926.

The next three important features of construction were: First a letter to the press by Dr. James A. Bell, "The Relation of Handicapped Individuals to Society."

Second, a letter from Supervisor Francis M. Wood favoring the acceptance of blind students in the Douglas High School, and the opening of classes for those students of defective speech. Also the opening of a class in the Teachers' Training School for the training of teachers for handicapped children.

Third, which we deem probably most important in public agitation and construction was a mass meeting held on May 16, 1926, at the Royal Theatre, at which time all the handicapped and social agencies regardless of creed or color were asked to cooperate. This was done to bring before the public their responsible duty to humanity. Rev. Ernest Lyons was the efficient chairman and Dr. Steindler of Fort McHenry delivered an excellent paper.

Later, the unanimous consent was received by the organization from the Board of Governors of the Children's Hospital School, Greenspring Avenue and 41st Street, to erect a colored annex onto the present building.

The Association has been instrumental in raising a fund for the education of the handicapped.

Specialist Makes Strong Plea For More Facilities For Handicapped

Launch Movement For Permanent Work

Care and Life Training For Afflicted Youth is Pressing Need

SENATOR O. E. WELLER INTERESTED

May 16, 1926—Over seven hundred persons at the Royal Theatre on Sunday afternoon heard Dr. Leo Steindler make a plea for the extension of the facilities for the care of the physically handicapped colored people of the State.

Dr. Steindler, who is a specialist on diseases of the eye, ear, nose and throat, and is attached to the Veterans' Bureau rehabilitation service at Fort McHenry, dwelt at length upon the measures that might be taken to alleviate some of the hardships that the handicapped persons of the race must face.

"It is not only a question of providing hospital care for these unfortunates," said Dr. Steindler, "but we must get the right attitude toward them. Treat them as brothers and seek to get them do as much as they can for themselves."

Training that will fit the handicapped for usefulness in spite of their physical debility, is the most pressing need of the group, according to the speaker. The talk was well received by the hearers. Dr. Steindler was accompanied by Dr. William Eledor, also stationed at Fort McHenry.

Other features on the program included music by the blind band, selections by the blind glee club, by the choir of Sharp Street church and a chorus of 150 children from the junior and senior high schools, directed by Mrs. Rosalia Dawson. A blind pianist, Stephen Stanley, rendered a solo.

Talks were also made by Rev. J. Albert Greene, who gave a resume of the history of the Association for the Handicapped, under whose auspices the meeting was held; Linwood Koger, president of the local branch of the N. A. A. C. P., and by Rev. C. Harold Stepteau who made an appeal for funds, for aiding in carrying on the work this organization has initiated.

Rev. George F. Bragg and Rev. John Colbert also had prominent places on the program, and Dr. Ernest Lyon presided. This meeting is the first of a series that has been planned to interest the community in the handicapped members of the race. Robert W. Coleman was largely instrumental in arranging the gathering. Ushers were furnished by the Junior Federation of clubs and were in charge of Mrs. Sarah Boling Mason.

Since 1913 Senator O. E. Weller has been interested in the Association, says Mr. Coleman. It was through his courtesy together with that of Mr. Sargent, Regional Manager of Veterans' Bureau at Fort McHenry, that Dr. Steindler's services were obtained.

DUNBAR THEATRE

CENTRAL AVENUE, NEAR MONUMENT STREET

The Dunbar Theatre, operated by the Dunbar Amusement Corporation, with Mr. Josiah Diggs, President; Dr. James Hilburn, Secretary and Treasurer, and Mr. Walter W. Carr, Manager and Vice-President, is a monument to the industry, untiring energy, and faith in the people of Baltimore manifested by its president and founder.

Mr. Diggs opened his house, which was then a much smaller building, with a capacity of 350 people, back in 1917, and by the dint of continual effort and persistency "carried on" until in November, 1923, he was compelled to rebuild on the original site when he enlarged his theatre to a magnificent building, 75x100 feet, with a capacity of 1,000 people, making it the largest movie house for our people in Maryland.

Besides pictures from such famous studios as Paramount, Fox, Metro Goldwyn, Warner Bros., and First National, the Dunbar has an unexcelled orchestra led by Carlos Daugherty.

Visitors in the City should make it a special point to visit the Dunbar Theatre.

Josiah Diggs, Pres.

OUR ORGANIZATION

Seventeen years ago the Gross-Grant Company was organized with the idea of building an organization to assist our people in the matter of purchasing homes, renting homes, and saving their earnings through the building association.

How well we have succeeded in this purpose can well be settled by the fact that during that time no one has ever lost one cent of their earning through this organization. For that and many other reasons the public has come to look upon our company as one of the leading and most reputable real estate firms in the city.

OUR PROMISE

We promise that in the future we shall endeavor to live strictly up to this reputation which we have built and to give to the public whatever advantages we may possess through our long years of experience in the handling of all kinds of real estate transactions.

OUR PROPERTIES

Our homes are located in the most desirable sections of the city, and you will find that they are all in good condition.

OUR TERMS

Our terms and prices are absolutely the lowest possible, consistent with good business policy and our charges for financing are practically nominal.

If you haven't yet made the acquaintance of the members of our organization you are cordially invited to do so at your earliest opportunity and you will be assured of the most courteous and conscientious treatment.

Homemaker's Building Association

As a Saving or Investment Proposition this is a most attractive opportunity.

A high degree of safety, a rate of interest above that which banks can afford to pay, and the consciousness that every dollar entrusted to the Homemakers Building Association will be put to work at once in helping people of limited means to secure suitable homes, are factors which should appeal to many.
