FRANCIS MARION WOOD

 AX
 650
 3672
 1931-1932

Dr. Francis Marion Wood, Director of Colored Schools, came to Baltimore August 1, 1925.

Dr. Wood was born in Glasgow, Barren County, Kentucky, 1875, and received his common school education in that city. After completing his elementary education, he studied at the State Normal School, now Kentucky Normal and Industrial College, from which he received two diplomas, one from the academic department of the State Normal School and the other from the agricultural department of the same institution. In 1906 the degree of Master of Arts was conferred on him by Eckstein Norton University, which later merged with Lincoln Institute of Kentucky.

Dr. Wood began his career in a one-room log school in the rural district of his native state, and during a service of many years has taught in all grades of elementary, high schools and college. He has served as principal of elementary schools, high schools, and president of the Kentucky Normal and Industrial College at Frankfort, Kentucky. By the Kentucky State Superintendent of Public Instruction he was appointed State Supervisor of all the schools of Kentucky, having under his supervision about fifteen hundred teachers. Dr. Wood was also Director of the Rosenwald Fund for Kentucky and supervised the building of many Rosenwald schools in that State.

In 1924, under the auspices of the General Education Board of New York City, he was sent to Hampton Institute, where for twelve months he pursued courses in English, Science, History and Education. Dr. Wood has often mentioned that, so far as he knows, he came to Baltimore by accident, having been invited by the Superintendent and Board of School Commissioners to consider the supervision of colored schools in Baltimore City.

Dr. Wood is married and has four children. Mrs. Wood is a graduate of the Kentucky Normal and Industrial College and has had several years of experience as a teacher. She has specialized in English and Home Economics.

Dr. Wood is now completing his sixth year as administrator of the colored schools of Baltimore City. During his administration the colored schools have had a tremendous growth, not only in the addition of many principalships, supervisors, assistant supervisors and special teachers, but by the marked improvement in instruction. In a public address a few months ago, Mrs. Marie O. Bauernschmidt stated that the colored schools of Baltimore had made more progress since 1925 than they had made during any previous forty years.

On December 15, 1930, a public testimonial was given Dr. Wood, at which time the officials of Baltimore City, headed by His Honor William F. Broening, Mayor of the City; the Board of School Commissioners, headed by Mr. William Lee Rawls, president; the Board of Superintendents, headed by Dr. David E. Weglein, superintendent; the Public School Association, headed by Mrs. Marie O. Bauernschmidt, executive secretary; and Morgan College, headed by Dr. J. O. Spencer, president, lauded the achievements of the colored public schools under the directorship of Dr. Wood.

On this occasion a very handsome scroll was presented the Director of Colored Schools, on which the names of the city officials, school officials, and about seven hundred teachers in the colored schools were inscribed. On the same occasion a very handsome portfolio was presented Dr. Wood by the Public School Association of Baltimore City in recognition of his services rendered to all the people of Baltimore.

In further recognition of his service and with a view of increasing his efficiency as administrator of the colored schools of Baltimore, the Board of School Commissioners, at its meeting on May 7th, upon the recommendation of Dr. David E. Weglein, voted to turn over to Dr. Wood and his assistants the present Administration Building at Madison and Lafayette Avenues. After July 1, 1931, Dr. Wood and his force of thirty individuals will occupy the Administration Building. Dr. Wood received his degree of Doctor of Pedagogy at the commencement exercises at Morgan College, June 2, 1931.

A Woman's Touch

In a home disrupted by bereavement there are innumerable ways in which a lady assistant lends a helping hand. By her kindly manner and diligent application, order is brought out of chaos. Her womanly intuition adds warmth and understanding to the simplest detail. She anticipates every need in the household and is, by nature, able to sympathize perfectly with every member of the family. Such an assistant is part of our service.

DUNBAR THEATRE

CENTRAL AVENUE, NEAR MONUMENT STREET

The house of Talking Pictures, Vitaphone and Movietone. The most beautiful house for colored people south of New York.

The Dunbar Theatre, operated by the Dunbar Amusement Corporation, with Mr. Josiah Diggs, President; and Mr. Walter W. Carr, Manager and Vice-President, is a monument to the industry, untiring energy, and faith in the people of Baltimore manifested by its president and founder.

Mr. Diggs opened his house, which was then a much smaller building, with a capacity of 350 people, back in 1917, and by the dint of continual effort and persistency "carried on" until in November, 1923, he was compelled to rebuild on the original site when he enlarged his theatre to a magnificent building, 75x100 feet, with a capacity of 1,000 people, making it the largest movie house for our people in Maryland.

The Pictures exhibited are from the very best Studios and Producers of the country.

Visitors in the City should make it a special point to visit the Dunbar Theatre.

Josiah Diggs, Pres.
