thence south west to Pennsylvania Avenue, thence North west to boundary line, and thence to the place of Beginning.

The law authorising the division of the City into twenty wards, makes the first fifteen wards the fourth Congressional District and places the five remaining wards in the third Congressional District. The law also authorises one member of the First Branch of the City Council to be elected from each of the twenty wards, and one member of the second Branch of the City Council to be elected from every two wards - that is, one member from the first and second wards, one from the third and fourth, and so on. So that there will be twenty members of the first Branch, and ten members of the second Branch of the City Council. The election of the members of the City Council is to be held under this Law at the next election for City Officers.
