Sub-committee Reports

Logistics - Commissioner Maya Davis

- The last subcommittee meeting was held 6-16-2021. This meeting focused on the DOJ grant, coalition partnerships, and upcoming hearings. The subcommittee reviewed and updated draft schedule and dates. There was a discussion on the Research Coordinator position. This position will be posted on the Office of Attorney General office.
- The subcommittee is focusing on finalizing a communications plan for hearings and securing venue in partnerships with local coalitions. Space is needed to accommodate Reconciliation hearings.
- The subcommittee would like to host meetings with local coalitions with the public hearing dates coming up. It is suggested to have a meeting with local coalitions to discuss locations, partnerships, and the flow of how each will be represented.
- A goal is to make sure there are contracts and resources for Reconciliation hearings. For example, a Sign language interpreter, Social worker, and others to be onsite for each meeting.
- The next meeting on July 19, 2021.

Research - Commissioner David Armenti

- The subcommittee would like to ensure MD LTRC has oral history initiatives and partnerships with coalitions in preparation for each county Reconciliation hearing.
- A major priority for the subcommittee is to continue to confirm primary sources and baseline data for hearings coming up especially October-December 2021 dates.
- The subcommittee is working to communicate and build with local coalitions. For example, Allegany County has several local coalitions/organizations with preciously conducted research and additional information. While working with local coalitions, MD LTRC would like to review and consolidate information to create a solid research log.
- **Update:** Please make sure all commissioners are reaching out to your assigned coalitions to build partnerships and make connections.

Reconciliation and Justice- Commissioner Chavis

- Co-Chair Chavis- Had a meeting with White House staff to discuss origin and charges of the commission. This meeting also discussed the MD LTRC status and progression of planning Reconciliation hearings. How is the hearing planning coming?
- Ultimately the White House would like to be able to support in many ways and would like additional information and ways to support. Chair Fakunle, Co-chair Chavis, and Mr. Stan Brown are helping to support this initiative.
