

Maryland Lynching Truth and Reconciliation Commission Allegany County Hearing

The Maryland Lynching Truth and Reconciliation Commission and the Allegany County Lynching Truth and Reconciliation Committee (ACLTRC) invite the local community to hear the story of Robert Hughes aka William Burns, and to explore the impact of racial terror lynching in our lives today. The hearing is the beginning of many truth and healing sessions designed to help us all reconcile with the past and move forward together as one community.

If you would like to provide testimony during the hearing, please contact the Commission by email at mltrc@maryland.gov.

Note: Closed Captioning will be enabled within the Zoom Webinar to support accessibility for members of the public.
