Our Object is to create

supporting the industries and enterprises now in existence and establishing new If the Negro wishes his children to Tha e preference in business houses and manufacturing establishments, the fathers land mothers of to-day must make the sacrifice, lay a foundation for themselves. we do not do this for our own children, can we expect white men to build business houses and turn their children out and put ours in? No political party will ever

We must learn a lesson of economy and protection from the other races with which we come in contact.

You say you are educating your boy, and you want him some day to fill an office. What are you doing to make that office? Do you expect the office to grow out of the ground or descend from the skies?

Or would you have your son some day to occupy a well-furnished office, clerk. ing for a successful business built up at the expense of others' lives, and looking back on your grave say, "My father never did anything to provide employment for his children, he did not even give his patronage to help the infant industries of

You may have money to leave your son, but you want to build up business houses that he may have an opportunity to invest

Quit Your Nonsence. Stop Fooling and Try to Make a Way for Jur Children.

What can a poor man do for his son? He can send him to school, bind him to a trade, and support the infant industries that are now being brought forward, and when he is in his grave his son will call him blessed." Let us put aside all divisions and move as one body for the common good. can build fine halls, and fine churches, and fine dwelling houses. Why can't we build large workshops and large factories, and teach our -obildrens' Dands to ad minister unto their necessities. The North says, I have helped the Negro long enough, it is high time he had learned to walk. We all had better walk.
