Shortly after 10 o'clock Weilbrenner drove to Sagamore Hill in a bug-By. As he approached the house he was stopped by the secret service operative on duty. Weilbrenner said he had a personal engagement with the President and insisted on seeing him. As it was long after the hours when visi- lem, N. C. tors are received the officer declined to permit him to go to the house and turned him away.

Soon after Weilbrenner returned and again insisted that he be allowed to see the President if only for a minute. This time he was ordered away and warned not to return.

Just before 11 o'clock the man returned a third time and demanded of the officer that he should be permitted to see the President at once. The officer seized the man and pulled him from the buggy, believing now that the fellow meant some harm.

Weilbrenner was taken by the big six-foot secret service man to the stable back of the Roosevelt house. Two stablemen were given revolvers and sat guard over the captive while an investi- York.

gation was made. The first thing found was a fully load- Utah. ed 32-caliber revolver, which Weilbrenner left in the buggy. Footprints near the house aroused the suspicions of the secret service man that Weilbrenner had companions. A telephone message was sent to Oyster Bay, and the entire squad of secret service men there hive in number—sprang upon horses a galloped top-speed to Sagamore
