Dr. R. A. Torrey.

Zeeggggggggggggggg Torrey, D.D., the celebrated evanselist, preached Sunday morning in that made up, and put in without a strangers, only a very small per- of which the writer, apparently, had

centage being members of the church. no conception of the meaning but Resurrection a Fact, not Fiction," Simply wrote what he saw. and his text was I Cor. xv:20: "But the resurrection of that kind. First, now is Christ risen from the dead, the apostles, beyond peradventure, when the crops begin to move freely. and become the first-fruits of them |.

we said that if it could be proved |. to be a historic fact that everything essential to Christianity was proved, what they know to be false. Second- tive machinery well into next year. but that if, on the other hand, it ly, the early church, which came out could not be proved to be a historic ' Sabbath observance from the seventh day to the first day of the week, and Christianity must go. We started anyone who has studied Jewish history knows the hardest thing in the to by whom, or when, the gospels were written, to decide whether they world is to change Jewish customs, were a record of facts, or merely ficand something tremendous must have tion. First, we discovered that the four |. happened to make this change possiaccount, and we were driven to the ble, simply by common consent. The conclusion that they were a record third fact is most significant—the 1901. of actual occurrences. Next, we dis-overed that each bore the evidences themselves. They were a pack of utcovered that each bore the evidences terly demoralized cowards, and a few witness. It often happens that a days after we see that same company witness tells his story so artlessly, filled with the most indomitable courwith such an entire absence of any age that the world has ever seen. What had happened? Jesus had risen mony carries weight. We have not and they had seen Him. All intellionly one witness, but four, differing gent men who deny the resurrection apparently in details (showing that admit that the apostles thought He they were not coached) but all agree- had risen. Straus says: 'We admit ing in the essential facts, and each that they had seen something; may legan to have sores come out one's story bearing marks of artless not this appearance have been vis-I had a physician treat him, simplicity, so that we were driven ionary?" That is, they saw a vision. grew worse. Then they be- to the conclusion that the story of Our answer is this: Whoever heard on his arms, then on other the four gospels was a record af of eleven men having the same vision body, and then one came on actual facts beyond dispute. Some-at the same time; and of 500 men rse than the others. Then I times the details of evidence are having the same vision? An old armony of the witness, but of the truth | years, and it was that Jesus was not

really dead and was resuscitated, and We begin here this morning, and they appeal to a historic fact that a that is sought. we shall show that the narratives in certain Jewish officer was taken down the Gospels prove conclusively that from a cross and brought back to try Cuticura Soap and Oint- they are not fiction, but fact. One life. We have five objections to this: to the drug store and got a illustration: In St. John's account First, what preceded the crucifixion loap and a box of the Uint- of Thomas' refusal to believe that - the scourging, etc. Second, the the end of about two months | the Lord had risen, notice what is Jews and the Romans took special e all well. He has never had said about the character of Thomas precautions to prevent this. any kind since. He is now and the character of Jesus. How remember His broken heart. Fourth, bealthy, and I can sincerely characteristic is Thomas' action and if He had been resuscitated He would how characteristic is the rebuke of have been in a state of absolute phys-Jesus! When the other disciples tell ical collapse, as was the case with Thomas that they have seen the Lord, the Jewish officer, who was an inhe refuses to believe, and says, "I valid all his life. Fifth, if so, the won't believe it until I see the prints ones who resuscitated Jesus must of the nails in His hands." A week have been the apostles and the trans-

passes and the disciples, including formation in them remains unac-Thomas, are gathered together, and counted for. Finally, if it was not Jesus suddenly appears again. He resurrection, then the whole thing is 781/8 f. o. b. affoat; No. 1 Northern Dubids Thomas put forth his finger and a fraud, and a deliberate fraud. Who thrust it into His side, and Thomas can believe that Christianity with its lofty precepts of morality and holy cries out, "My Lord and my God." i-And then Jesus introduces the tender living rests upon a fraud and that "Thomas, you ought to have Jesus was a party to it? No man can before; but because thou believe it. n Me, thou hast believed; l blessed are those who believe on suf- resurrection of Jesus Christ from ficient evidence without sight." Is the dead is the best proved fact in that made up? Is it a lie? If it is history. There is only one really picture of Thomas, without a word of is that no one else was ever raised explanation, and that picture of from the dead. The answer to that Jesus, is the greatest literary master is that the life of Jesus was, unique. of the centuries. It is not made up; His mission and nature and character

were all unique and it was only to be Another illustration: When Peter expected that the issue of that life it is the record of reality. said to Jesus (John xxi:21), "What would be unique. shall this man do?" the Lord replied: for any man of loyal mind, or who four feet long by six | "What is that to thee? Follow thou has had any experience of evidence, Me." The fishers had breakfasted on who wants to know the truth, to sit the shore, and Jesus had told Peter down before the four Gospels and of Peter's coming crucifixion, and take them up, point by point, examine then starts down the shore and says, the statements and thoroughly sift the "Follow Me." And Peter, turning evidence, to come to any other conround as he goes, sees John follow- clusion than that Jesus Christ actualing, and says: "Lord, you have told by arose from the dead, as recorded me what my future is to be.. What in the four Gospels. What of it? spring chickens, 14'2; fowls, 13; turwill this man do?" Now, remember, Everything. If Christ rose again then all though the life of Jesus, as it is Christianity is no longer a system of recorded in the four Gospels, Jesus abstract divinity, but a gospel of jewis, 10@1312. the method of evaporating never answered questions of mere proven facts, and everything that you speculative curiosity. Peter wants to and I have been taught to believe, per barre'. 162/11.75; Jersey, 1.12/11.50; ing the boiling point was first | know another man's business, and and that is dear to the Christian immercially the process was Jesus says, "What is that to thee? heart, and the glory of the life to in the United States. You see that you obey." Is that made come, is an absolute certainty. te are at present about 50 up. or it is reality? Is it a lie? Anwhich dispose of 200,000,000 other illustration: In the same chapter Jesus asks Peter, "Lovest thou, grieved because He asked him that their life. He is the pitying heart | sugar, 3 1-16/4 318; refined, steady, question three times. Notice these and the helping hand of God with words: "Peter was grieved because every needy, praying spirit in the He said unto him the third time, world. He is the sweet light of the 'Lovest thou Me?'" Why was Peter knowledge of God that breaks in upgrieved? John offers no explana- on every penitent heart. tion. But the Lord's thought went He is not only with those who beback to the court of Annas and Caia- lieve in Him and love Him, but also phas, where three times Peter had with those who neither believe in denied Him, and, if the narrative had Him nor love Him, that He may be been made up, this would have been to them also Jesus their Saviour. explained. Have you ever noticed The Christ of God is in thy heart, that the four Gospels insist upon the waiting and aiming to get the confact that our Lord returned thanks sent of thy will, that He may save in the breaking of bread? That is thee. Wherever man is, there also something we do three times every is Christ, endeavoring to free him day, but I do not think that any one, from the law of sin and death, record. We simply return thanks as spirit of his life.—John Pulsford. a matter of form, but when Jesus, in

in writing our lives, would put it on becoming Himself the breaking of bread, lifted up His heart and opened His lips, there was of God that no one at the table ever | ceed best in life have always been such a real drawing into the presence forgot it. When, after the walk to cheerful and hopeful men who went Emmaus, Jesus returned thanks, al- about their business with a smile on though they had not recognized Him their faces, and took the changes and before, notwithstanding that their chances of their normal life like men hearts burned within them as He facing rough and smooth alike as it talked, the disciples knew Him. In came, and so found the truth of the moment their eyes were opened, old proverb, that "good times and and they said: "It is the Lord; nobody else ever returned thanks that Charles Kingsley. way." Is this a fiction? If one man wrote the story of the four Gospels, why should he put in all of these details without explanation? It is in- ceptive thoughts which say, wait credible; and that four should do so little, I will pray an hour hence; I absolutely unbelievable: How must perform this or that. For, with
