Cuba on Way.

IMPORTANT MOVES.

Secretary of War Taft and Assistant Secretary of State Bacon sailed for Havana Sunday to investigate the situation and probably act as peacemak-

In a letter to Senor Quesada, the Cuban minister, Perident Roosevelt warns the Cuban people that the United States will intervene if they "acquire the insurrectionary habit." The Cuban Congress, in ex-

tra session, empowered President Palma to use all public funds needed to prosecute the war against the rebels. The government's forces will be tripled, providing the men

can be secured. More warships are being harried to Cuban waters with large forces of marines and rapid-fire guns.

The destruction by the rebels of a number of large American tobacco and sugar plantations, including the Homiguero Central Company's Constancia plantation, near Cienfuegos, has quickened the desire for American intervention.

Alfredo Zayas, Liberal leader, wired the rebel commander to cease fighting pending negotiations for surrender to the American naval commander.
