Have YOU any real estate to sell, rooms or flats for rent?

Have YOU anything that you want to bring to the notice of the large number of colored people in Baltimore and Maryland.

Are YOU making as much money out of your business as you think you should make?

Have YOU ever stopped to 'think that perhaps nine-tenths of the people who should patronize you, do not know you are in business?

Do YOU think that by "hiding your light under a bushel" you are going to ride on "flowery bed's of ease" to business success and prosperity?

Can't YOU see that by all successful men in business, the advertising columns of a newspaper are regarded as a panacea for all business ills?

If any one of these questions hits YOU, drop us a postal and we will show you the advanteges of advertising in the Afro-American Ledger, and how to get them. Or if you are down our way drop in and let us talk it over.
