Publishers.

Personal Investigation of Pro Advertising Concern Made b Chairman of the Executive Co tee National Negro Press Assoc Who Says the Agency Is Relia

By N. BARNETT DODSON New York .- Having received from a number of publishers in ence to the responsibility of Haynes Advertising agency i city, I considered it my duty to a personal investigation in or furnish the members of the Na Negro Press association with im and accurate information. T mind an advertising agency is a only to the control of the peri which it represents.

I had the pleasure of calling the Haynes Advertising agency days ago and was most cordia ceived by Mr. Haynes, who proprietor of the business. A few brief preliminary remarks l my mission, and without the lea tation Mr. Haynes in the most gent way outlined his method

Mr. Haynes says: "This age the outcome of nearly two year. gle against many obstacles. that of general racial prejudice is a universal handicap. Anoth vitat feature is that in a nun cases we have not been able accurate and efficient service many of the colored publisher. methods of general advertisin been greatly changed in recen-The most important additional is the key system, which ha adopted by all of the big adv By this method each medium an advertisement is recorded advertiser and is known by c numbers. For instance, one pul is known by department 6, an

known by department 24, and "This system enables the ad to systematically check up from each medium carrying his tisement, thus showing the ac sults of each individual perio which his advertisement appea one feature alone has created e pense in stamps, stationery at corresponding with publish structing them to insert 'ke bers' correctly. We have wr many as six letters to some publishers on this one point we could make them understa

"Advertisers will not pay newspaper advertisements un ficient proof of insertions i lished. This important feat been entirely ignored by many "A great many who have h rying advertisements from th have failed to send in vouche

has greatly disturbed our roun was then shown sufficie. that legal action had been against an advertiser in order collection for publications t complied with instructions b ing their proper key numb sending in voucher copies publications. In this parties. Mr. Haynes claimed that he fied the publishers to whom responsible for all bills if co were not made within a limit.

Mr. Haynes further said: premacy of this agency has be study and experiment have pro-There is no i Negro publication having ening a combined circulation thousands is absolutely the on the big advertiser to this clas

"From an ethical standpo. not improper, unsafe or u. grouping together any numbe lications in order to accomplis that could not be done other might add that through my me able connections with the Un. lishers' association and man large white advertising age the country I am quite confi within a short time this estal will be a creditable asset to the publishers of this country. A to the colored publishers th the country is to give more to circulation. That is the chord on which the big a

Mr. Haynes is a member o tional Negro Press association long practical experience in should give him first hand k as to business principles, and that his agency is absolutely and offers the most tangible tical proposition ever before to the attention of the big ac At present about one-third
