Is the expression so often heard and used in describing the troubles and complaints afflicting humanity. Many diseases are handed down to individuals from parent to parent, while again, through lack of training and knowledge, we acquire the germs of disease at first hand, and the process of destruction of the fine tissues of the body is begun, ending in misery and death.

If you suffer from any wasting weakness-if you have any skin or blood disease. pain in bones, red spots, sore throat and mouth, painful swellings, kidney and bladder complaints, imflammation, scaldings, stricture, gravel, organic weakness, weak back, varicocele, lost vitality, impaired memory, swollen parts, discharges, or any disease resulting from indiscretions or overwork—it matters not how long standing—be not discouraged because you have consulted other physicians and received no benefit.
