"EVERY DISEASE MAN IS HEIR TO"

Is the expression so often heard and used in describing the troubles and complaints afflicting humanity. Many diseases are handed down to individuals from parent to parent, while again, through lack of training and knowledge, we acquire the germs of disease at first hand, and the process of destruction of the fine tissues of the body is begun, ending in misery and death. If you suffer from any wasting weakness—if you

have any skin or blood disease. pain in fones, real spots, sore throat and mouth, painful swellings, kidney and bladder complaints, imflammation, scaldings; stricture, gravel, organic weakness, weak back, varicocele, lost vitality, impaired memory, swollen parts, discharges, or any disease resulting from indiscretions or overwork—it matters not how long standing—be not discouraged because you have consulted other physic-

ians and received no benefit. THE BALTIMORE SPECIALIST CURES WHERE OTHERS HAVE FAILED, and he will cure you as sure as you go to him for treatment. THE BALTIMORE SPECIALIST has made a life study of all special diseases of both sexes, and his success in curing these diseases so quickly and permanently has aroused the wonder, as well as the envy, of Specialists as well as doctors generally.
