LIFE AND HEALTH

How few sufferers from Chronic Diseases realize that the old means and methods for treating Chronic Diseases have passed entirely out of existence. Almost eighty per cent. of such sufferers still adhere to the old been improved just as every other branch of industry has advanced. Chronic sufferers have either come to they are dragging along, using all sorts of nauseating remedies and worthless mixtures with the hope that they may gain from them some little relief. It is from this class of sufferers that THE BALTIMORE SPEChysician and IALIST'S Method of treating Nervous and Chronic

Diseases claim attention. He uses rational natural methods and has equipped his office with up to-date medical and electrical appliances; also vibratory and high frequency apparatus for the scientific treatment of Chronie Disease. THE BALTIMORE SPECIALIST has kept himselt constantly abreast of the medical profession in studying thoroughly and scientifically under the head of his specialities, and at the same time keeps his charges within the reach of all. He is brave enough, knowing the power for good in his hands in the use of physiological theropenties, not to be deterred from advertising and using them by fear of public criticism or professional ostracism. If you are suffering from any disease which comes under the head of THE BALTI-MORE SPECIALIST'S Specialties you should call on him at once. perfect knowledge of diseases one-half the cure. It is your life that is at stake. Don't accept what anyone says but go direct to THE BALTI-MORE SPECIALIST and satisfy yourself. One of the fundamental principles which guides THE BALTIMORE SPECIALIST in his treatment of the affected is nor to promise more than he can accomplish and to do justice to all cases He treats specially Nervous, Kidney, Bladder, Stom-
