LIFE AND HEALTH

How few sufferers from Chronic Diseases realize that the old means and methods for treating Chronic Diseases have passed entirely out of existence. Almost of today for the treatment of Chronic Diseases has been improved just as every other branch of industry has advanced. Chronic sufferers have either come to the conclusion that there is no cure for them or else they are dragging along, using all sorts of nauseating remedies and worthless mixtures with the hope that this class of sufferers that THE BALTIMORE SPEChysician and IALIST'S Method of treating Nervous and Chronic Diseases claim attention. He uses rational natural

methods and has equipped his office with up to-date medical and electrical appliances; also vibratory and high frequency apparatus for the scientific treatment of Chronie Disease. THE BALTIMORE SPECIALIST has kept himself constantly abreast of the medical profession in studying thoroughly and scientifically under the head of his specialities, and at the same time keeps his charges within the reach of all. He is brave enough, knowing the power for good in his hands in the use of physiological theropentics, not to be deterred from advertising and using them by fear of public criticism or professional ostracism.
