and Other Prominent Citizens Honorary Presidents

Chicago, August 12.- The commission in charge of the exposition 22 to September 16, commemorating the progress that the race has made since emancipation was kept busy this week securing funds to complete the \$25,000 necessary to secure a similar condition as offered by the legislature of the State. The legislature gave \$25,000 1912 and last year appropriated a like sum on condition that the commission raise a similar amount.

place of honor. Around the statue, which will be 'lluminated will be the exhibits of more than 350 educational institutions in the United States.
