BY USING BLACK AND WHITE OINTMENT.

I was worried with blackheads, freckels and sunburn. No other remedy bleached me as Black and White Ointment. I will never use anything else. Dear friends, if you want beautiful, soft, smooth skin try a box of Black and White Ointment.-Viola Steele.

Be attractive. Throw off the chains that have held you back from prosperity and happiness that rightly belongs to you. Apply Black and White Ointment (for white and colored folks) as directed on package, to your face, neck, arms or hands. It is very pleasant to the skin and has the effect of bleaching dark, sallow or blotchy skin, clearing the skin of risings, bumps, pimples, blackheads, wrinkles, tan or freckles-giving you a clear, soft, bright complexion, making you the envy of everybody. Black and White Ointment is ahead of many other preparations, which only cover up pimples or eruptions. Black and White Ointment removes and heals them. Sold on moneyback guarantee. Two sizes, 25c and 50c (large size contains 3 times as much as smaller size), sent by mail.
