your beauty.

A sallow, blotchy skin spoils any beauty, while a fair, smooth complexion is all most women need to make them beautiful.

You can make your skin shades lighter, and as fair and soft as velvet by applying Dr. Fred Palmer's Skin Whitener. After a few applications, all blotches and pimples

will disappear, and your skin will become tair and lustrous.

You can keep your skin white and beautiful by bathing your face, neck and hands each night with Skin Whitener Soap. These two old-reliable preparations, when used together, have never failed to make the darkest skin fair and beautiful. 25c each at your druggist's, or sent direct
