ANOTHER BIG VICTORY!!! Professional Trained Nurse, After Severe But Successful Tests, Heartily Endorses

SUPERIOR

FOR THE

Flu victims, as well as all other persons suffering from thin or falling hair, will be interested in the following letter, which we have been authorized to publish:

DEAR MADAME:-I feel extremely grateful to you, and really consider it my duty, to write and tell you of the splendid results I obtained

from the use of your Hair Grower during the recent influenza epidemics of 1918-19. By professing I am a visiting trained nurse, and during the trying times of these two epidemics I nursed hundreds of "flu" victims. As you are well aware, one of the effects of this terrible disease is the falling out of the hair, and some of my pa-

tients both white and colored, were left practically bald, After trying many so-called Hair Growers without success, ecame somewhat discouraged, but on the strong reommendation of another nurse I decided to give your preparation a trial. The results were wonderful, and I admit I was surprised. My directions for it's use, after a llittle experimenting, were as fol-

First, I instructed my patients to rub it thoroughly into the scalp twice a day. Then, when the hair had grown long enough to comb, I directed the grower to be used as a regular dressing at least thre times a week. After several months of this treatment the hair had grown out beautifully, being straight, silky and lustrous. I am fully convinced that many of the patients have a better suit of hair today than they had before their "flu"

In closing my letter, I might add that I still use and recommend Lady George's Superior Hair Grower to all who have any hair complaints. I think it marvelous, and am thankful I heard of it when I did. If I can be of any assistance to you in acquainting other people of it's wonderful merits, you may publish this letter if you so desre. I remain,

Yours very truly, (Mrs.) Georgia Langood, 310 North Stricker Street.

Could you expect more convincing proof than the above letter? Are you searching for a REAL HAIR DRESSING? Give Lady George's Superior Hair Grower a trial and your hunt will be ended to your entire satisfaction.
