Make Your Skin Brighter Clear, Soft and Smooth

Give It That Appearance of Youthfulness So Much Desired

Beauty is the first present that Nature gives to a woman Unless proper care is given the skin, as well as the hair, this beauty is the first that is taken away. The power of beauty in a woman is inestimable—how important, how necessary, therefore, it be that she should look her best—improve the charms that Nature bestowed

Now some women are endowed by Nature with a bright soft skin—but others not so fortunate, can acquire that youthful complexion—and what's more desired a light, smooth skin, just by the use of two toilet preparations known as the Black and White upon her. Beauty Treatment
