The increase is due:

1—To meet the cost of white paper. 2-To meet the higher wage scales of labor, which Kanawha is reported in Norfolk, Officers Stopped Many have very properly increased.

3—To give the newsboys and dealers a needed onions. The Kanawha was formerlarger margin of profit.

4—To make a continually better publication for North Sea. biles of all descriptions are stopped the benefit of our readers.

Value determines price, and price in turn regulates value. It costs more—much more—to produce a newspaper like the AFRO:AMERICAN, and a change in price is necessary to maintain our lead as a news and feature paper, and to continue an improvement which has been conspicuous in the past. After eighteen years of wedded ex-Leading newspapers thruout the nation have wife fell out with him last week.

found it necessary to increase their price to 6 cents and taking advantage of the fact Workmen are now engaged in building and sometimes to 10 cents.
