WOMAN SUFFRAGE ADVISORY ASSOCIATION OF THE STATE OF MARYLAND

> REV. S. R. HUGHES, PRESIDENT. 637 MOSHER STREET BALTIMORE, MD.

TO THE COLORED WOMEN VOTERS OF THE CITY AND STATE:

Congratulations upon your victory of enfranchisement. This high privilege and recognition of womanhood should stir every woman to activity in this present cam-Providence has opened the door of opportunity and stands at the open door pointing every woman to duty and responsibility. The ballot, a weapon of protection to self and home is in your hands; not to use it would be ingratitude to God and disloyalty to humanity. We advise every colored woman to register early and be at the polls on the day of the election between 1 and 2 p. m., and cast your ballot for Harding and Coolidge.

In consideration of unjust treatment of the colored people by the local organization, to support it would be compromising self-respect, humiliating the race and tolerating a most vicious insult. Vote for Harding and Coolidge only. Sincerely yours,
