THE INSTANT RELIEF ASSOCIATION

DR. JAMES A. BANKS
 200 WEST 136th STREET, NEW YORK

Can't See Well? See Me
 when your eyes feel painful, hot, uncomfortable and grow weary while reading, writing, sewing or looking at near objects, letters run together while reading and become blurred.

Eyes examined by me and fitted with glasses accurately made never grow weary, but are perfectly comfortable. You may not like to wear glasses, but do you like headaches, red eyes and wrinkles better? Scientific examinations of the eyes for defective eyesight is my specialty.

Dr. R. G. ADAMS, Optometrist
 Physical Eye Specialist
