**A New Book by Dr. Du Bois THE NEGRO**

By W. E. BURGHARDT DU BOIS, author of "Souls of Black Folk," "Quest of the Silver Fleece," "Select Bibliography of the Negro American," etc.

This is the authentic romance of the black man. It is a history of him at once scholarly, earnest and eloquent. He is considered from the earliest times, and the thread of his fascinating story is followed in Africa, America, and wherever else it has appeared. To look at the Negro against the background of his history is to see him in a light fairer than that in which most Americans have seen him.
