

Advertising

There are **twelve million** Negroes in the United States. They spend a **thousand million dollars** every year.

THE CRISIS reaches **more** Negroes with **intelligence and money** than **any other periodical** in the world and is therefore a **valuable medium for advertising**.

The patronage of **recognized advertising agencies** and of **national advertisers** will receive careful attention. **Rates** will be sent on application.

Circulation, —80,000

THE DISGRACE OF DEMOCRACY

An Open Letter to President Wilson

By KELLY MILLER

~~~~~  
"The ablest document the war has yet produced in the United States."—H. L. Menchen, Editor Smart Set.

"With this document the Negro problem is no longer a vague futurity. The Negro question has arrived."—New York Globe.
