

The Southern Aid Society's Superior Service and Protection Causes An Expansion

The Southern Aid Society of Virginia, Inc., herewith presents another link in its chain of modern office buildings. They are all evidences of the soundness of its policy contract, as well as its business policy.

This three story, modern brick building is located at 529 N. 2nd Street, Richmond, Virginia, and was built to take care of the growth and expansion of the Society's business beyond the capacity of its present Home Office building, at 527 North 2nd Street.

The ground floor is occupied by the Commercial Bank and Trust Company, the coming financial giant of the Middle Atlantic States, while the Society and two leading dentists occupy suites on the second and third floors. It is therefore one more lighthouse emblazoning the Threefold Superior Service and Protection of the Society, and they are as follows:

One Small Premium secures protection against Sickness, Accident and Death, providing employment to 500 young men and women of our group and supplying modern office facilities for the race's business and professional activities.
