

## Hampton Institute Hampton, Virginia

Founded in 1868 by General Armstrong to train selected colored youth who should go out to teach and lead their people. In 1878 Indians were first admitted.

Hampton stands for "a sound body, a trained capacity, and an unselfish outlook on life."

Hampton is an industrial village: 1,100 acres; 140 buildings; 850 boarding students, 500 day pupils in practice-school; 600 summer-school students; 260 teachers and workers.

Hampton has over 2,000 graduates and 8,000 former students; also numerous out-growths, including Tuskegee, founded by Booker T. Washington.

Hampton offers courses in four schools of normal and collegiate grade—Agricultural, Business, Home-Economics, Normal—and in two schools of secondary grade—Academy and Trade (11 four-year course) and a two-year Advanced Builders' Course.

Hampton needs annual scholarships at \$100 each and endowed scholarships at \$2,500 each; also \$135,000 annually above regular income.
