Larger Earnings—Better Security

This chart was compiled from information furnished by U. S. Government Census reports of 1924.

Consider the figures given in the above chart and the fact that many Mme. C. J. Walker Agents earn an average of \$50.00 weekly. For the time and money spent in

preparation, positively, no profession brings better financial returns than Beauty Culture. Only a few short weeks are necessary to obtain thorough instruction in all the arts of Beauty Culture and a Madam C. J. Walker Diploma. With it your earnings can be what you desire — ten or a hundred dollars weekly. Not only this, but Beauty Culture offers better security against financial reverses, be-

cause of losing your job, failure, sickness or death of your provider. Once trained, you are thenceforth prepared for any such emergency.

MME. C. J. WALKER SYSTEM OF BEAUTY CULTURE

For nearly twenty-five years our sole activity has been perfecting an already superior system of treating the scalp and skin, making and marketing preparations with which to do it and teaching this method to women seeking a chance to succeed in life. Thousands of women almost everywhere buying homes, rearing families, educating children, having money of their own, enjoying financial independence, vouchsafe how much we've helped them. We can do as much or more for you.
