POSTSCRIPT. By W. E. B. Du Bois	31

The Christmas Number of THE CRISIS will be beautiful in color and illustration and interesting in content. There will be a story; an essay on the ideals of a creative artist; something about the boy scouts and a further development of our unique geographical news service covering the dark world of literature, comment and occurrence. Our poetry will keep its mark of high distinction. The Editor will moralize on the election.

THE world has been flying just twenty-five years. — Humiliation Days! Fine Chinese idea. We know humiliation too, Golden Brothers .--Disarmament treaties are promises to
