POSTSCRIPT. By W. E. B. Du Bois	21

We are asking friends and subscribers to make unusual effort to get copies of THE CRISIS to those who want the magazine, or would want it if they could get it. It is singular that the oldest Negro magazine in the United States is unknown to so many people. In return for this effort we are going to publish some unusual and interesting stories, articles, pictures and poems. The year 1929 will be notable in the pages of THE CRISIS.
