

This image shows a blank page from a ledger or account book. The page is ruled with a grid of 10 rows and 6 columns. The columns are of varying widths, with the first column being the narrowest and the second and third columns being the widest. The grid is formed by thin, dark lines. The paper appears slightly aged and has a few small dark spots. The left edge of the page shows the binding of the book, and the right edge shows the gutter where the page meets the next one.
