

This image shows a blank page from a ledger or account book. The page is ruled with a grid of 10 columns and 10 rows. The columns are of varying widths, with the first column on the left being the widest, followed by a narrow column, a wide central column, and then several narrow columns on the right. The rows are of uniform height. The paper is off-white and shows signs of age, including some creases and discoloration. The page is part of a bound volume, as the binding edge is visible on the left side.
