

This image shows a blank page from a ledger or account book. The page is ruled with a grid of 10 columns and 10 rows. The columns are of varying widths, with the first column on the left being the narrowest and the remaining columns increasing in width towards the right. The rows are of uniform height. The paper is off-white and shows signs of age, including some faint smudges and a small dark spot in the upper right quadrant. The page is slightly curved, suggesting it is part of a bound volume. The left edge of the page shows the binding of the book, and the right edge shows the gutter where it meets the next page.
