

I wish you would write me the proper
address to put on things sent by Liverpool
perhaps to the care of Mr Little at Newby
will be best, I have a friend that will
see them shipped. I can send them to
Liverpool in a Tender free of expense

The boat is just come
from the Shore and with joy
at the conclusion of the war
think God it is our end
very soon I shall be a free

Man my love to all
with delight and pleasure I look
forward to joining you
with my most
