My Dear Clementine

We came here on Tuesday  
night I have been much gratified by  
the sight of this beautiful river  
and this most beautiful city -  
Genl. Delhousie commends to the great  
satisfaction of all that are near him  
& like him much, the Prince is very  
agreeable we dine with him to day.  
Yesterday Genl. Perrone gave him a  
breakfast on board the Perdue  
the party consisted of thirty in my  
life I never saw any thing so  
well done. Capt. Penney also  
commends her in a very fine  
young man I send you the Providence  
news paper with the amount of
