the dinner was done to the shore
the subscribers continue enthusiastic
for the Boston - the Regiments
that we ordered to America we named
I don't think they like it, but yet
they will be better content than our
people that carry them, I am truly
sorry for the necessity of the case.
If possible I shall hate the business
~~some~~ more than ever, they are a
despicable crew, but nevertheless are
the most necessary of commands.
