

and will not repent what I have
already written respecting your departure
but the more the letters of I do
think change of air will be good

for our boy - I bought some things
which we on board the Swan Cottage
I will send them to you

~~and~~ I shall for ever hate a secret

at having their shops dismounted without
being told for why - what every
down boy knows that it is to take
troops to America, it does
incalculable mischief - I understood
that the Royal Ark and Dampier
are under sealed orders - when
ever the ships say that they are
coming here
