

Living is very interesting here
however Lord Keith keeps the house and
grounds, I hope you have sent me
my little banner from 8? I care
for nothing else. I shall have a
large high as yet I have not
found who I take - the Royal takes
are very glad that I can to
join them, what folly with their
secret orders, how could it remain
such when the army must be
prepared for foreign service,
We shall be too late I fear, it
will be some time yet before
we sail to assist there is
a great fête to the Duke of York here
