My Dear Clementina,

Colt Hopkins has fortunately
 arrived & will tomorrow if the wind
 will permit, it is indeed a probability
 to know that our Dry is perfectly recovered,
 take great care of him - Colt Hopkins
 will give you a few lines - dispose of
 it as seems good to you - Mr Mack
 has now in charge for Heller and
 Selley has a small one containing
 stockings for you - I don't say some
 of them will be saved - Selley has
 a keg of real Cognac for the Doctor
 I am preserved for Miss Martin -
 I wish you had sent me more tea
 but however I have got some
 from the friend
