I dont know where I can go, but  
write every Packet to Bermuda  
for shure I can it will be  
preveded from thence - & for  
lets Papers will always be exchibited  
When you have a parcel <sup>of anything</sup> send them  
to some drive at the Admiralty, he  
is a kind man and will do  
the needful, I need not tell you  
how marvelous I shall be if  
a Parcel comes without a letter  
James left us to day to join his  
Regiment. I like him very much,  
ser<sup>t</sup> Pop who goes with me  
is expected to write; I feel I  
shall do very well
