

we dine to day with the Governor who  
appears to be very anxious to do all  
he can to oblige us - this Island has  
no less than six female converts we  
visited the principal yesterday - several  
of the women were handsome and young  
one of them play'd on the Piano very  
well - they appeared delighted to see  
you, your girls I noticed them - the  
Project has failed every man to be  
prosperous, this is the largest Fleet that  
ever came to the Island and the  
number of Officers that are on shore  
makes the town very animated, it  
is a pleasant town in the Province  
I send this letter by the way of Lisbon  
as no vessel is bound direct to  
Lisbon - we are in good health  
not a man confined to bed and  
only the coughing and we
