think we are fitted for the
Artificers Service, nor I feel that I
can act well with the Army.
nor do I dislike it — the Regiment
that we have put in addition to our
force is the 21st Mont Incr but
report says not in great addy but
that may be envy — they are
employed in Trenches and very
heavy duties, which causes great
delay — indeed I was stupid to
get Trenches for some of mine
the Turk shots are to crowded for
this climate and indeed for any
other if they are to remain long
or loud — this was Led Keith fault
he does not reflect — each subjects,
