

I send Joe Home both ways Jan 11th -  
I write you that my reason for 21  
down was that he could not agree  
with Robert nor any other servant,  
but I like the boy and have told  
him to communicate with you  
I wish you to give him twenty  
pounds - send me some medals  
Bible - the last both and shoes  
are very excellent, I wish  
you would desire John James  
or Judge's file to make three  
of each the shoes shoes -  
mine fit James - but surely  
this too will be one - give my  
kind love to all - and write me  
by every Packet just direct  
your letters please with answer
