

to sell I think I have told you
every thing I wish you would
tell me that Anne had a good
husband - but young ladies of
fashion dont mind in that point
so well as those in the
back ground - send me a
few bottles of Henrys Myrrour
my love to George - I think if
Johns just was chartered in London
it would have been a good scheme
to have killed two birds with one stone
and you know I like all little
matters that draw new connections
close and close - but I see
that you have a fancy
