

I wish Wright & Belvie were  
now that I find my stay  
be prolonged - indeed it  
be beneficial to your  
system if he could find  
his way to this station  
employed. The first thing  
is to keep quiet for two  
to recruit our men -  
the Admiral is under  
and Lockhart is gone to  
writes me by way come  
was with
