M-1329

you conscience will not allow you
to do so, do you know Steeres before
he is a true fellow — and as is
my other companions I. T. Hardy —
he is not entirely moral,
I like her but not for a wife for my
friend, you and I are better united
I have shouldered further my
first Lieut to the Etna Bomb
he will not be confound
he is an old friend of mine he
was with me in the Ramon.
I wish Wright and Gibbs was
here, however I have a very good
set — and the pressure will
but I wish I was at Home
